

# Attention Medicare Patients!

## **FREE Glasses after Cataract Surgery**

*Don't forget! Most Medicare plans cover the cost of new eyeglasses after cataract surgery.*

Our trained opticians will assist you in selecting the best eyewear after your cataract surgery to suit your lifestyle and vision needs, including single vision readers, computer glasses, night time driving glasses and lined bifocals.

Please visit the Optical Shop in our Main Clinic (located at 4101 Evans Ave., Fort Myers) and ask about your Medicare optical benefits after cataract surgery.

*Cannot be combined with any other promotion, discount or insurance plan. See an optical associate for full details.*

Main Clinic ONLY at 4101 Evans Ave., Fort Myers
